Roles and Responsibilities

In your capacity as "**Web Development Executive (Noida - HO)**", you will be responsible for, but not limited to, the following:

1. Develop, maintain, and update company websites and web applications as per business requirements.
2. Convert UI/UX designs and functional requirements into responsive and user-friendly web pages.
3. Write clean and maintainable code using relevant HTML, CSS, JavaScript, and web development frameworks/tools.
4. Identify and resolve website bugs, errors, broken links, performance issues, and technical problems.
5. Ensure websites are responsive, mobile-friendly, secure, and compatible across major browsers and devices.
6. Assist in developing and integrating APIs, databases, forms, third-party services, and other web functionalities.
7. Coordinate with UI/UX, Software Development, IT, and Business teams to understand requirements and deliver web solutions.
8. Perform regular website testing, debugging, updates, backups, and maintenance to ensure smooth operation.
9. Support website optimization, SEO-related technical improvements, page-speed enhancement, and basic analytics implementation as required.
10. Maintain proper technical documentation, follow company coding standards and security practices, and continuously learn new web technologies to improve development capabilities.

You will be on probation for a period of three months during which period your performance will be monitored and evaluated.

During the first three months after joining, your employment maybe terminated at any time by you or the Company by giving 30 days' notice. In the event of your employment being terminated by the Company during this period, the company may at its discretion require you to either work the 30 days' or less of notice period and may pay you the salary for the deficit notice period. In the event of your employment being terminated by you the company may at its discretion require you to either work for 60 days or less, as per the requirement, or relieve you any time during this period at its discretion without any extra payment.

In case of your continuation of your service, post three months -irrespective of confirmation in service or otherwise the limit of 30 days mentioned above shall automatically increase to more than 30 days with same terms and conditions.

On satisfactory completion of your probation, your employment will be confirmed with us.

Apart from other terms and conditions of your employment with **Techxpert Facilities India Private Limited**, validity of your employment will automatically get ceased in case of cessation of our contract with the respective client / Sites or Closure of our business.

If these terms are acceptable to you, kindly sign and return to us the duplicate of this letter in acknowledgement thereof.

You need to follow the company integrity, ethics and EHS policy strictly, failure in the same will attract penalty and loss of your employment with Immediate Effect.
